Sunday Motorsport Participants

If you don't have a Motorsport Australia Licence you can download a one day Motorsport Australia Introductory Licence form by clicking on the button below. Then fill it out and bring it to the Event Check-in where it will be collected and an Introductory 1 Day Temporary Licence number issued. Cost is only \$25 and will be charged to your credit card by Motorsport Australia after the event.

Please also note that our Motorsport Australia Permit limits the maximum number of entries that can be accepted for the Motorsport Day. Motorsport entries will be accepted in order of receipt, however priority will be given to those who have also entered the HSVFest Nationals Shannons Show. Motorsport entrants who have entered after the limit has been reached will have their entry fee refunded, less \$5.00 for lunch which will still be provided.

Motorsport event entry is "paperless" so if you plan to enter the Motorsport Day, please click on each of the below buttons to download a copy of each and read them as you will be asked during your online entry to declare that you have read both these documents:

1. [Supplementary Regulations](#). These contain all the information that you need for this day.
2. [Motorsport Australia Disclaimer](#). This needs to be read prior to entry.
3. [Drivers Briefing Notes](#). As there will be no physical drivers briefing on the day, these need to be read prior to competing.

All drivers must have a current Motorsport Australia competitors license. If you do not have one, you will need to purchase a One Day license from Motorsport Australia. If you require a One Day license, please download the form below, print it off, fill it out and bring it with you on the Motorsport day. Remember, if you don't have a current Motorsport Australia license, you will not be permitted to compete. Each driver will have their Motorsport Australia license checked before the event starts and will be issued with a right hand wrist band.
